Wiebers' Readers Lunch Bunch

One of our biggest objectives in second grade is to continue to develop reading skills. Reading at home is one way to help with this.

This is the first calendar for the "Wiebers' Readers Lunch Bunch".

Any child who meets or exceeds our reading goal for the month will get the chance to eat lunch with me in our classroom. It is a great chance to talk about books, reading, and whatever else comes up! I even bring a special dessert.

This month's goal is 350 minutes! Please help your child track their reading minutes on this calendar. If they read and record a total of 350 minutes or more, they qualify for the "Wiebers' Readers Lunch Bunch". I am not sure who enjoys the time more me or the students!

Calendars are due on Sept. 30!
