## Wiebers' Readers Lunch Bunch

The second graders are continuing to their develop reading skills. Reading with your child at home is helpful!

This is the calendar for the October "Wiebers' Readers Lunch Bunch". Any child who meets or exceeds our reading goal for the month will get the chance to eat lunch with me in our classroom. I will even bring a special dessert.

This month's goal is again 350 minutes! Please help your child track their reading minutes on this calendar. If they read and record a total of 350 minutes or more, they qualify for the "Wiebers' Readers Lunch Bunch".

Calendars are due on Oct. 31!
